

# NCoRe – eMarketPlace For Artisans

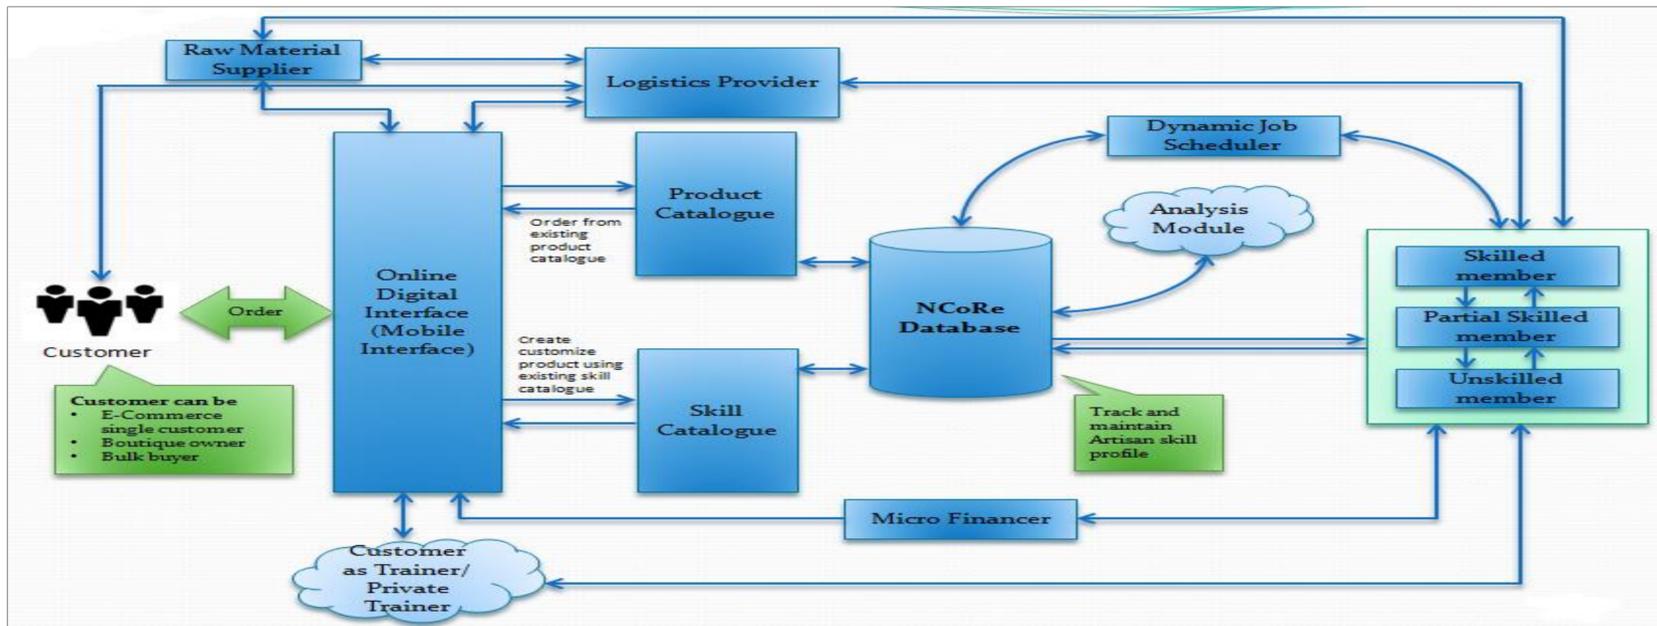

**Large Sectors of the Artisan Community are disconnected from the Urban markets due to technological, financial and social divides.**

*65 lakh artisans and 55% of them women*

*India contributes to only 2% of the 400 billion\$ global market*

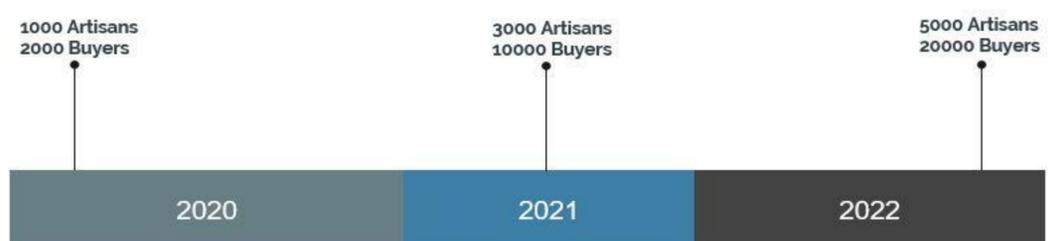

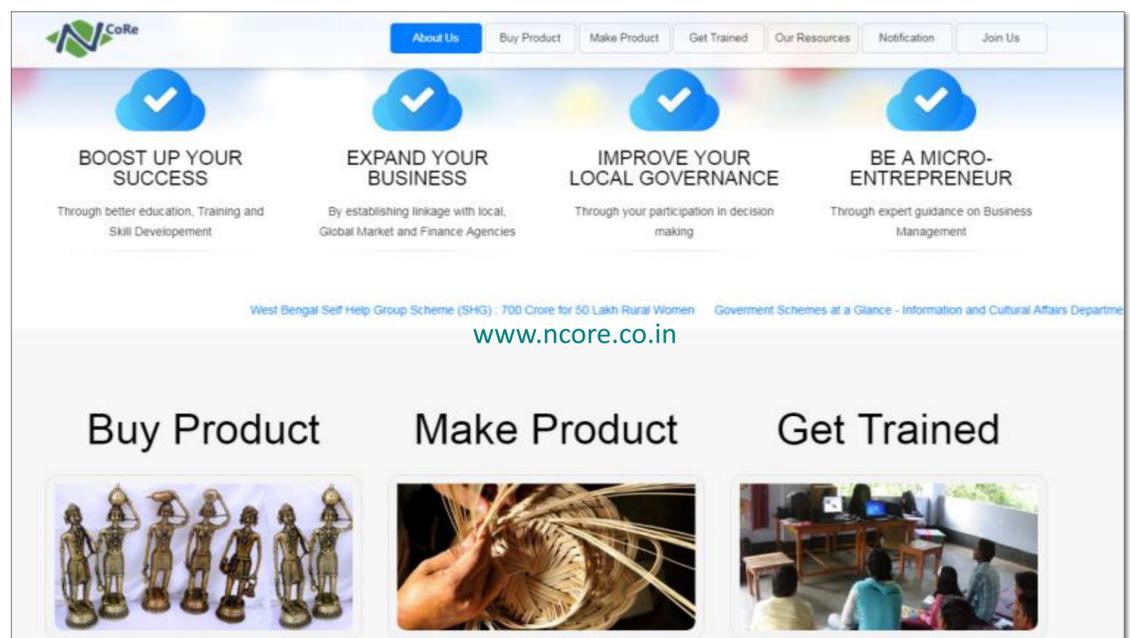

**NCoRe is an End To End e-connecting and e-supporting platform connecting artisans communities directly with a large pool of online- buyers, bulk buyers, and other parties like trainers, logistics etc**

## NCoRe Technical Model
